Discover what the Outback spirit is all about

Roma Saleyards

Tambo Teddies

Blackall Woolscour

1 Day one

Morning:

Students meet at school and depart via chosen bus service for Dalby. This lively little town with a rich history provides a great morning tea stop before the journey continues west to Miles.

Afternoon:

Arrive in Miles to enjoy lunch and a tour of the Miles Historical Village Museum. The grounds are home to 34 buildings many of which are original structures. Together they form a pioneer settlement with a village streetscape that provides an insight into the workings of an early Queensland rural town. And staying true to its humble beginnings, the Village remains a not-for-profit organisation led by a team of incredible volunteers. Then head further west to Roma for the night.

Evening:

Arrive in Roma and drop off bags at accommodation. This evening's activity is the famous Big Rig Night Show Sunset Experience. An intriguing journey of twists and drama where the story of our oil and gas pioneers comes alive through exhibits, machinery displays, audio-visual features and the knowledgeable local "Roma Rigger" guides. Overnight at one of Roma's accommodation options.

2 Day two

Morning:

Wake up and get ready to drive from Roma to Blackall, stopping in Morven to enjoy morning tea.

Afternoon:

Arrive in Tambo and enjoy lunch before exploring the town. Tambo Teddies are created in Outback Queensland and are tenderly crafted from 100% woollen sheepskin, truly an Australian handmade product. Grasslands Art Gallery is a public exhibition space located centrally in Tambo and is free to visit. The front facade of the building references a historical shop that occupied this site in earlier times.

Evening:

Drive to Blackall and check into accommodation.

3 Day three

Morning:

Wake up in Blackall and discover history in action at the Woolscour, the last remaining steam-operated wool washing plant in Australia. A living museum with a direct link to Australia's pioneering era, the scour operated from 1908 until it closed in 1978, playing a large part in the lives of many Blackall families.

Afternoon:

Students can enjoy lunch in the Blackall main street, before exploring Ram Park, a collection of old buildings filled with displays and stories that bring Blackall's colourful history to life.

Evening:

Return to Blackall accommodation and evening at leisure.
